The following are necessary to receive an estimate, and to have us produce your book after approval of the estimate. Check the enclosed items (We will make every reasonable effort to return your items, but cannot assume responsibility for them so please make certain that all items sent are expendable duplicates):

Manuscript on Disk (either PC or Mac format.) Please have a version in its original program, and one saved as an RTF file, if possible. This disk should also contain the cover blurbs, and any additional text. An additional disk may be necessary for the logo and/or other bitmap artwork, saved as TIFF files.

Hard Copy* of the manuscript and additional text. Words to be italicized should be underlined and indicated by sticky notes at edges. Other hard copy included should be cover text, author disclaimer, optional imprint logo, optional ISBN and Library of Congress Card Catalog Numbers.

* **Hard copy not required:** There are no special text requirements, italics, footnotes, logos or index.

Cover Images include artwork or a photograph for the front cover and a photograph of the author for the back cover. Original eight-by-ten or smaller, color or black-and-white photos are acceptable. Letter-sized artwork (8.5x11 or smaller) or TIFF files may also be submitted.

Please sign below, assuring that you own the work and are responsible for it.
